Scan. Book. Begin.

Simple steps for every customer

Designed for product parcels and order inserts

This side explains what to do after scanning the QR and gives customers a quick reason to return.

Customer journey

1 Scan the QR code to open
vedictatva.com on your phone.

2 Explore sacred products, pandit
booking, puja, astrology, and
yatra services.

3 Use the website to place your
next order or book a ritual with
confidence.

Promotional message

Special offer for scanned visitors

Add a coupon code, free shipping
threshold, or booking discount here.

Suggested line:

**“Thank you for choosing Vedic
Tatva — your trusted spiritual
companion.”**

Best QR placement: keep it at least 46
mm wide and test it with WhatsApp
camera before printing.

Print note

Use thick matte paper for a premium spiritual feel and better durability.

Front = brand + QR. Back = customer actions + offer.
